Shehab Hussein Mahmoud
Front-End Developer

✉ shehabqoteit@gmail.com 📞 01145082201 📍 Giza, Egypt

SUMMARY

I'm a passionate Front-End React Developer and a love for self-study. I communicate clearly, work well in teams, and manage my time efficiently to meet deadlines. I'm adaptable, with a keen eye for detail, and I quickly learn new technologies to keep my skills up-to-date. My goal is to create high-quality, user-friendly applications that add real value to a company.

SKILLS

Technical Skills : *HTML 5 - CSS 3 - JavaScript - Bootstrap - Tailwind - React - Redux Toolkit - TypeScript - Git & GitHub*
Animations - Framer Motion
